Five of the powerful conspirators who are working against American interests and for the interests of a known proliferator of weapons of mass destruction.

Every Single American Needs to Read This Exposé!

That's right—Mike Piper has done it again!

Although our energetic AFP correspondent spent much of the last year putting the finishing touches on the updated sixth edition of his ten-year-old JFK assassination classic, *Final Judgment*—just released this past month—Mike was also burning the midnight oil wrapping up an all-new book on an equally “controversial” topic—the REAL origins of the conspiratorial clique, known as the “neo-conservatives,” who were responsible for orchestrating the latest (needless) U.S. military venture in the Middle East . . . *The High Priests of War*.

There's no doubt Mike's new book is incredibly timely—particularly as the Iraq debacle gets worse by the day. *Americans need to know who was really responsible for this senseless foreign war and Mike's book tells the uncensored story . . .*

Ignore all of the widely-touted books about Iraq being promoted in the Controlled Media Monopoly. *The High Priests of War* is the one and only book that you need to learn the WHOLE story: the “who” “what” “when” “where” “why” and “how” of the Iraq war.

This is a panoramic study of the intrigues and misdeeds of those characters who achieved power in the administration of George W. Bush and who used that power to advance their dream of world rule.

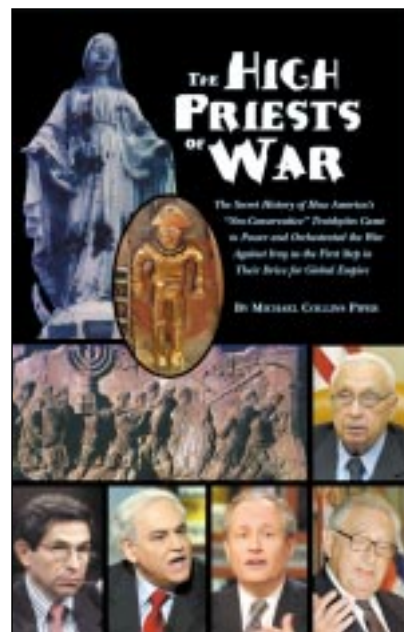

Orchestrating the Iraq war was the first major step by these conspirators toward consolidating a virtual Global Plantation—the “New World Order” if you will.

Mike pulls no punches and explains, in no uncertain terms, that these neo-conservatives are—beyond any question—allied with the hard-line fanatic Zionists in Israel.

You'll be impressed by the width and depth of the material packed into this volume. Although the “neo-cons” have been widely written about, only Mike Piper has put together such a comprehensive and historically complete account of their corruption and their alien agenda!

They're all here: the arms dealers and the propagandists, the media “talking heads,” the billionaire media tycoons, the religious crazies, the so-called “scholars” and “intellectuals”—the whole unsavory crowd . . .

Everyone from Richard Perle to Paul Wolfowitz and William Kristol—names now very much “in the news”—along with a host of others in their power network who—for some 25 years—have worked behind the scenes to infiltrate the conservative movement and grab control of the levers of military and geo-political influence at the highest levels in official Washington. . . .

So here's our special offer to AFP subscribers only . . .

You can get a copy of *The High Priests of War* for just \$19.95 each. But if you'd prefer, I'll send you a copy ABSOLUTELY FREE in return for advance renewal, at this time, of your current subscription to *American Free Press*.

Your advance renewals and donations help make it possible for AFP to continue publishing on a timely basis and to sponsor important books such as this and other valuable reports that you simply can't get anywhere else.

AFP relies on you—our readers—not on tax-exempt foundations and think tanks that finance the likes of these neo-conservative warmongers. We need your continuing support in order to survive. You've come through in the past and I hope you'll be able to help at this time.

And while you're at it, **why not order an extra copy or copies of *The High Priests of War* to pass on to friends and opinion makers in your community.** One copy is \$19.95, two copies are \$35; three copies are \$45; five copies are \$60. Ten or more copies are just \$8 each.

Give copies to your "liberal" friends. They'll be amazed to see how much they agree with what this book has to say. This book cuts across party lines and ideological labels and exposes the plutocrats and their skills in the media for the warmongers and liars they really are!

Please respond today. Use the enclosed return card and envelope I've provided, or call toll free at **1-888-699-6397** and charge your donation and/or advance renewal to Visa or MasterCard.
