## ANNOUNCING A NEW BOOK FROM MICHAEL COLLINS PIPER

# THE NEW BABYLON

The incredible story of the Rothschild Empire—the New Pharisees—and the historical, religious and economic origins of **the New World Order**. Here's the **full** story as it's **never** been told before—unveiling the details of which even many critics of the New World Order are **afraid** to speak . . .

For more on this new 280-page blockbuster, see pages A-2 to A-4 of this “wrap.”

The latest from the pen of AFP correspondent **Michael Collins Piper**—author of such best-sellers as *Final Judgment*, *The New Jerusalem*, *The Golem*, *The Judas Goats*, *Target: Traficant*, *Dirty Secrets* and more . . .

**There's just so much silly mis-information and deadly dis-information out there about the New World Order that it's time we have a book that explains the truth—the UNEXPURGATED facts—in no uncertain terms. That's what THE NEW BABYLON does.**

**Don't let them lie to you!**

CERTAIN SELF-STYLED “PATRIOTS” spend a lot of time (and make a lot of money) putting out videos talking about the New World Order. But the sorry truth is that many of these characters just simply refuse to bare the facts about what the New World Order is really all about.

So, in a sense, the producers of these videos are actually doing the bidding of the forces behind the New World Order. They are misdirecting good Americans and other patriots in other nations by providing false information. That's why THE NEW BABYLON is must reading. You need to know precisely what the New World Order really is and who's behind it.

**It's time for truth!**

# The Panoramic Story of the Rothschild

It was no coincidence John McCain paid tribute at the court of Lord Jacob Rothschild in London after securing the GOP presidential nomination or that key members of Barack Obama's inner circle have long-standing Rothschild connections. Here's the unvarnished truth about the Rothschild Empire-controlled "City of London" and its global reach—a virtual "secret history" of the last 200 years **and of the Talmudic origins of the New World Order in ancient Babylon.**

**A**fter writing his best-selling work, *The New Jerusalem*, Michael Collins Piper realized there was much, much more to the story of Zionist power in America (and on our planet today). He came to understand that there were hidden religious and economic reasons that explained why our republic had fallen into the hands of forces working to establish a so-called New World Order. In this titanic volume—280 pages in length and relying on many hard-to-find historical documents and other materials (some never before published in the English language!)—Piper explores the hidden history of the New World Order and explains in how it all evolved: from the teachings of the Talmud to the rise of the International Money Power to the reign of the House of Rothschild and the expansion of its tentacles onto American soil, setting in place a "new establishment," a plutocratic aristocracy of Rothschild Empire-connected families and financial institutions which own and control the U.S. Federal Reserve System and the mass media to direct the course of American—and world—affairs for their own predatory ends. *We say without hesitation . . .*

**\$25**

**THE NEW BABYLON is indisputably the last word on what the New World Order is really about. You won't find any other work that explains it all so clearly . . .**

**Chapters in *THE NEW BABYLON* include . . .**

- The emergence of the New World Order in Babylon . . .
- The secret Talmudic teachings pointing toward a "Jewish Utopia" . . .
- The rise of the International Money Power and its consolidation in the hands of the Rothschild Empire: the "kings of kings"—the framework for the New World Order . . .
- How Zionism is truly global—not national—in scope . . .
- The role of the Rothschild-controlled banking center known as "the City of London" in the establishment of a global imperium . . .
- The United States: first a colony of the Rothschild Empire and now its engine for global domination: the corrupt Federal Reserve money monopoly . . .
- The cold, hard facts and figures about Zionist power in America . . .
- Jews, Israel, Money & Power: Intertwined realities—taboo topics today . . .
- The "Dukes and Duchesses" of the Rothschild Court: the 30 most powerful Zionist families on the planet . . .
- The "Lords and Ladies" of the New Aristocracy: the 300 "third tier" families of the plutocratic elite . . .
- Barack Obama's Rothschild-Organized Crime connections . . .
- The "Who's Who" of the chief Zionist operatives . . .

**All of this and more . . .**

# Empire and **their** New World Order . . .

## Meet today's Pharisees . . .

### Plutocratic Predators Who Misrule the World!

*In THE NEW BABYLON author Michael Collins Piper names names and outlines the whole sordid nature of the Rothschild Empire and its singular part in setting in place a global system of corruption—the New World Order—designed to advance its own parasitic agenda.*

### No, it's not "the Nazis" or "the Vatican" . . .

**THE NEW BABYLON** cuts through all the nonsense circulating about the New World Order and demonstrates that the origins of this evil phenomenon can be traced to the intrigues of the Rothschild Empire and its founder, Meyer Rothschild, whom his admiring biographer said "was a zealous believer in the Talmud and chose it alone as **the guiding principle of all his actions.**" This fact alone is studiously ignored by certain "patriots" who purport to tell Americans about the New World Order. In **THE NEW BABYLON**, Michael Collins Piper pulls no punches in setting the record straight. Just the facts!

**THE NEW BABYLON** includes **all-new material** on the history of the New World Order **that has never been presented before.** You'll be amazed at the scope of this remarkable volume . . .
