

# Have You Heard of The Secret Empire?

It exists ... and it is an Empire ... the only Empire. And secret? Its greatest secret is that it really does exist—and very few have ever known about it. Until now . . .

**M**ost Americans are angry that they were deceived into the Iraq war by brazen lies. But most Americans are not aware that the same hidden powers which lured us into that war have tricked us into at least half a dozen other wars going back to our own bloody Civil War—and beyond. Nor do they realize that this same hidden power has stolen our industry, our banking, our press and our media and, in fact, controls our entire economy ... and whose hidden hand still rules us all.

*The Secret Empire, Part II* tells how we all have been deceived time and again—how this Secret Empire murdered JFK and fabricated Watergate to destroy Nixon—and just who is behind it all. Most importantly, it tells us what we can do to free ourselves from this bloodthirsty Secret Empire.
