HOW OF THE INTERNATIONAL CRIMINAL ELITE

Matthias Chang Was Right:

Those people who paid attention to Matthias Chang's economic warnings a year ago took the necessary action to protect themselves from the dire circumstances that Chang all-too-accurately predicted in *THE SHADOW MONEYLENDERS*. Today, at last, Chang's book is available—exclusively from AMERICAN FREE PRESS—in its first-ever American edition . . . Now, you, too, can protect yourself against the wiles of the predatory global plutocracy . . .

The Money Kings don't want you to read this book!

THE SHADOW MONEY LENDERS is the one book that you need to understand the facts about money and how the truth has been criminally manipulated by a select few to advance their own wealth and power at the expense of the broad population of our planet. Matthias Chang is a whirlwind researcher and writer who understands the topic inside and out. He has emerged as one of the world's most respected—and listened to—political and financial analysts independent of the banker-controlled mass media.

Meet the author . . . Matthias Chang!

A prominent attorney in Kuala Lumpur, the capital of Malaysia, Matthias Chang is a Christian of Chinese descent and a close advisor and former cabinet-level political secretary to the highly regarded longtime Malaysian prime minister Dr. Mahathir Mohamad. A widely traveled diplomat, Chang is the author of *Future Fastforward*, a hard-hitting examination of what the author refers to as the impending "Zionist Anglo-American Empire Melt-down" and *Brainwashed for War*, which examines the military-industrial-media complex propaganda behind the Cold War, the Vietnam War and the war on terrorism. Both of these volumes were published in their first-ever American editions by AMERICAN FREE PRESS. In recent years, Chang has been working with Dr. Mahathir and his Perdana Global Peace Organization to advance the Kuala Lumpur Initiative which calls for criminalizing the conduct of war.

PART ONE

FUTURE FASTFORWARD: THE ZIONIST-ANGLO-AMERICAN MELTDOWN

Is the alliance between the United States, the British Empire, and Israel a paper tiger or a mighty empire? Is global "Empire Capitalism" about to come crashing down? Will there be a worldwide "people's war" against the super-capitalists and their Zionist allies? Is nuclear war inevitable?

These are just some of the provocative questions addressed in *Future Fastforward*, a forthright, no-holds-barred new book by a prominent Asian political figure and globe-trotting diplomat.

In *Future Fastforward*, author Matthias Chang, former top-level political secretary for Malaysia's outspo-

ken longtime prime minister, Dr. Mahathir Mohammad, takes a stark look at the realities of global power politics and the ultimate and inevitable consequences for the not-so-secret forces that are behind the push for a New World Order.

Now being published for the first time in the United States, this book is a remarkable "insider's" view of world power politics from a point of view that few Americans have ever had the opportunity of hearing.

The Power Elites of the Zionist Anglo-American Axis have been in control of the political systems throughout the world and, in all probability, there is not a single country in which their cunning and evil influence has not been felt. The author describes the rapid and irreversible decline of the Zionist Anglo-American Empire; the forthcoming inevitable nuclear wars; Israel as the linchpin of those nuclear wars; the end of Empire Capitalism; and a New World map by the middle of this century. More than 5,000 copies sold in the U.S.

Softcover, 400 pages, \$25.

PART TWO

BRAINWASHED FOR WAR: PROGRAMMED TO KILL

In *Brainwashed for War: Programmed to Kill*—the must-read companion to *Future Fastforward: The Zionist Anglo-American Empire Meltdown* we learn that we Americans have been brainwashed for war our entire lives. From the Cold War of our youths to Vietnam and now the so-called "War Against Terror," (including the war against Iraq and Afghanistan—and perhaps even Iran if we are not wary) we have been lied

to, mind-controlled and duped by president after president (at the behest of America's own intelligence services) with the goal of making us mindless supporters of bloody war. And how many of the wars of the 20th (and now 21st) century have actually been necessary for the defense of the United States?

But again and again we support whatever war our presidents choose almost without question. It's "kill the enemy" and "let blood be shed."

Tracing back four decades and more, *Brainwashed for War* documents the atrocities carried out by the imperialist, Zionist-driven forces whose goal it is to subjugate the peoples of the world.

Replete with documentary evidence (including 200 pages of detailed and highly-readable, eye-opening classified documents), *Brainwashed for War* exposes the vile propaganda warfare, mind control and brainwashing operations carried out by some of the world's most powerful intelligence services in the world including the Mossad, CIA, MI6 and more, and how these operations have come to impact our lives even today.

Discover the modus operandi of the Zionist masterminds. More than 5,000 copies sold in the U.S.

Softcover, 556 pages, \$30.
