

## A Message for Patriots

Dear Patriot:

America is in trouble, there's no denying it. Rampant immigration from alien countries, millions of jobs sent overseas to cheap slave labor, a spineless Congress (mostly) that seems to vote against the wishes of the American people again and again, an endless cycle of foreign wars of conquest and occupation and the diminishment of freedom and liberty guaranteed by the Constitution here at home are just a few of the problems facing this great nation.

### But what can we do about it?

Join the AMERICAN FREE PRESS READERSHIP COUNCIL (AFPRC) today and help *American Free Press* newspaper expand her influence around the nation and the world. Together, our voices can be loud enough to reach from coast to coast, to the halls of Congress and to the Oval Office. A recent effort by AFPRC members resulted in the FCC diminishing its plan to consolidate control of the media monopoly into even fewer hands. That's just one example. You'll also help AFP determine her course and position on many issues facing the nation today. But there are lots more benefits to joining the AFPRC. See inside for a dozen reasons why joining the AFPRC today is a great way to help your family and America.

But we need you now. To join, use the handy bonus coupon on the back panel of this brochure and see what FREE gifts we have for you when you enroll.

Yours for an even better America,

Vince Ryan  
AFPRC Acting Chairman

## American Free Press READERSHIP COUNCIL

**1** A FREE full-color, attractive and durable Membership Card to the AFP READERSHIP COUNCIL. With each card you'll be assigned a COUNCIL membership number. Pay in one shot or in installments. You'll also receive a FREE, regularly-published "Members-Only" newsletter keeping you up to date on the most recent in-house developments at AFP and offering you the chance to vote in special opinion polls and take advantage of discount product offerings. This membership in AFPRC also entitles you to:

**2** A FREE subscription to *American Free Press*. No more subscription renewal letters. As long as your membership in the AFP Readership Council is in good standing, you'll continue to receive the paper even when the subscription price of AFP has to go up. And, you can pay your membership in partial installments. An AFP subscription includes *Whole Body Health* FREE. Every other month you'll get America's most useful wholistic health magazine.

**3** A FREE copy of the shocking DEA report on suspicious activities of Israeli "art students" in America. That's right . . . Here's a copy of the explosive 60-page DEA report that has confirmed what AFP has exclusively reported to you in recent weeks: Israeli intelligence agents have been infiltrating sensitive military and federal sites across America. What secrets have they stolen? Yours FREE when you join.

**4** FREE special investigative reports from AFP. These reports will be offered for sale to the general readership but are FREE to COUNCIL members.

**5** FREE membership in FIRST AMENDMENT BOOKS: You'll be given special discounts (up to 15%) on almost every new book and video reviewed and offered by FAB through *American Free Press*. The discounts you can rack up at FAB alone could pay for your yearly COUNCIL pledge. FAB will also be including some fine items—minimum retail value \$15—from the bookstore in your welcoming package.

**6** Voting Rights: Regularly we will be publishing polls exclusively for the feedback of Council members. You tell us what you think about the important issues we should cover, what political candidates you like, what side of a stand you want to see AFP adopt, and lots, lots more. Your influence counts BIG at AFP!

**7** Every AFPRC member gets our *AFP OnLine* edition FREE. Here's an easy way to keep yourself up on the news even before your issue of AFP arrives. *AFP OnLine* can be emailed to your home or office computer while your print issue of *American Free Press* is in the mail. Provide add your email address to the coupon on the back page and we'll add it to your benefits package when you enroll.

**8** Members-Only invitations to national conventions, lectures and meetings. You'll also get special discounts on convention items and tickets. We will be planning important meetings and conventions with COUNCIL input.

**9** You'll be a part of our "Citizen Army." People say you can't make a difference, but it's people like you who do make a difference. Together, our voice is so much louder.

Here's your chance to become a part of something that will soon be bigger and more powerful than any of us could possibly be by ourselves.

**10** Your contributions will go to a good cause. This isn't like many "charitable organizations," many familiar to you, where 90 percent of your money goes to advertising and "think tanks." Your pledges to AFPRC will immediately be used where it matters the most—in expanding the fastest-growing grassroots, uncensored information outlet anywhere in America.

**11** Our Pledge: We pledge to every COUNCIL member to do our best to make sure your COUNCIL membership is an enjoyable and beneficial experience. We will strive to make sure every member in good standing gets in and out and vote. In return, we want you to participate in AFP's future. COUNCIL members are partners in our efforts.

**12** Our Guarantee: AFP guarantees COUNCIL membership. If at any time you would like to withdraw from the COUNCIL, you will be taken off our roll at once—no questions asked—and you will not be "billed" for your pledge.

Call 1-888-699-NEWS (6397) to charge your membership in AFPRC to Visa or MasterCard. Use the handy form on the back of this brochure if you'd like to respond by mail. Send completed coupon to AFPRC, 1433 Pennsylvania Avenue SE, Washington, D.C. 20003. Extra FREE gift if you respond today—valued at \$14.95.
